FACIAL TREATMENTS

Temple of beauty facial

60 mn—200€

Our temple of beauty treatment works in depth in order to breathe new life, well-being, and radiance into the skin, while soothing the mind and transporting the soul on a wonderful sensory journey, thanks to the aromatherapeutic powers of essential oils. Our eight-step treatment ritual revolves around a fundamental fusion of plant extracts and clinical active ingredients, supported by the benefits of aromatherapy and the vibrational power of crystals, reinforced by specific hand and Gua Sha massage techniques.

Manual face lift

60 mn—200€

This treatment is elaborate around various ancestral Japanese manipulations that stimulate the skin microcirculation and lymphatic flow while being supported by the benefit of aromatherapy. A facial with natural lifting properties combined with our clean & demo-clinical active ingredients for optimum results and performance.

A few words about Odacité :

Odacité is a french-californian company created in 2009 by Valérie Grandury. It has pushed the boundaries of “natural” and “clean” beauty by fusing Raw Nature with Clinical Grade Actives to create something truly extraordinary...

Skincare that settles the opposition between Clean and Clinical once and for all, skincare that has to have it all: efficiency, purity and sensoriality.

GOOD USE OF THE SPA

Kindly note that the use of the spa and its facilities is under your full responsibility, no supervision is provided.

The front desk team will be happy to assist you in booking your treatments. We recommend arriving 15 minutes before the start of your treatment. In case of late arrival, your massage time will be shortened.

There is a 24-hour cancellation policy, in the case of a late cancellation or no show, your massage is considered as used and will be fully charged. Any treatment must be completed once it has started. Should it be stopped, shortened or cancelled during the experience, it will be fully charged.

All the products can be used on pregnant women. Our massage therapists only perform on women who are in between their 3rd and 8th month of pregnancy. All treatments are non-therapeutic. Please check with your doctor for any medical contraindications.

Parents or legal guardians must be present in the room in the case of massages on a minor.
